Free to fuck!

INT. ELIJAH BEDROOM

Joshua is still looking at the picture of Elijah and himself. A tear rolls down his face.

JOSHUA
Fuck Elijah what the fuck man.

Joshua sits on the bed still holding on the picture. He falls back and holds the picture to his chest. He stares up at the ceiling. There is a phone beep. He sits up. He starts to go around the room looking through things for the sound. He goes into the drawer and finds the cell phone with a bow on it. Joshua is puzzled as to why his cell phone has a bow on it. He takes the bow off and looks at the phone. There is a reminder on the phone about a Job Interview with Signal 23 Radio on it. Joshua clears the notification. He starts to go through the phone he clicks on a video. There seems to be several videos in the same setting on the phone. He plays the last one.

On the video:

ELIJAH
I figured someone would eventually
find my phone. I hoping its you
Josh. I first want to start by
saying im sorry. I know you don't
understand but I had to. The videos
explain everything. Knowing you
clicked the last one which is why I
saved them backwards. What I need
you to know is...

Voices get closer to the door. He puts the phone in his back pocket. The door opens. A Detective comes in.

DETECTIVE
How did you get in here?

JOSHUA
Umm I I....

The detective turns his back to call for someone. Joshua makes a run for it and runs out the house.

EXT. EVANS HOUSE

At the front door the Detective stands on the porch. The grandfather comes out.

DETECTIVE

Do you know him?

MR. EVANS

Yea that's Elijah's friend.

DETECTIVE

MR. EVANS

Oh no that's just his friend not that type of friend his best friend to be exact. He's not gay.

DETECTIVE

MR. EVANS
